**ONE DENTAL**  
Your Dental Health Partner

One Dental has noticed that the lack of convenient transportation often prevents our patients from obtaining the proper dental care. As a result, we have decided to build a bridge to no longer allow transportation to stand in the way. Our mobile dentistry van brings the dental clinic directly to you. Mobile dentistry allows One Dental the flexibility to visit our patients whether it be in community living, at the place of work, or in the comfort of their own driveway.

With a XIRIS-approved X-ray machine, we serve the community by providing all dental services from an initial exam to dental hygiene cleanings, preventative and all major treatments in the comfort of their lot. Being wheelchair accessible, each van is equipped to provide all private, personalized, and convenient experiences.

Infection Prevention & Control (IPAC) is important, and we follow all the guidelines and clinical procedure that includes disinfection, cleaning, and sterilization of equipment's.

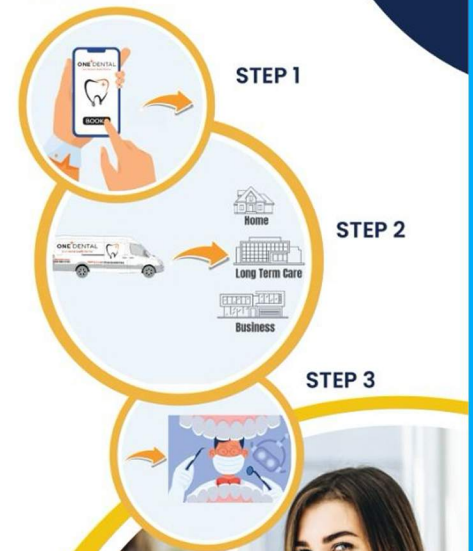

**“ Your smile, our priority.  
Mobile dental care  
at your convenience. ”**
